

Certified

**ACCREDITED-** Flame Industries Limited is the leader in Industrial Work wear in Trinidad and Tobago. Because of our commitment to quality, safety and customer service, we have aligned ourselves with the very best in the Business. Flame Industries is one of the only Authorized Distributors for DuPont Protection Technologies, Manufacturers of Nomex® material. Flame Industries Limited is the holder of a Trade License Agreement with DuPont, making us "DuPont Certified". What this means is that DuPont Technologies Limited, audited and certified our production process so users can be assured that they get a safe and WARRANTED safety garment. Our Quality Control programme has been authenticated to ensure proper use of FR materials such as thread, reflective tape, and correct tagging for example.

**DESIGN-** All clothing made by Flame Industries Limited, have been custom designed to ensure comfort, durability, maneuverability and most importantly, added safety. All garments are made with the Customer's needs in mind. Continuous feedback is encouraged through dialogue with our Valued Customers, Suppliers and other manufacturers to ensure we are up to date with changes in Industry requirements and personal preferences amongst end users.

**VALUE-** At each stage of Production, Quality checks are carried out to ensure the Integrity of each Product and ensure Customers get Value for their money. Starting from procurement we aim to purchase from only reputable and certified manufacturers. At the receiving stage we ensure that the fabrics and accessories are in alignment with the relevant manufactures test reports. Inspections take place at all stages of the Manufacture of each garment. QC personnel ensure the authenticity of the raw materials, the consistency of design in the cutting process, strength of the stitches at the production stage and finally the constancy of trimming and packaging. Material is rejected, is at any point, there is any inconsistency.

**ASSORTMENT-** Flame Industries Limited carries an array of Industrial Garments. These include DuPont Nomex, Dupont Protera, Tecasafe, Indura Ultra Soft and Banox. Flame Industries Limited also offers their own line of Professional Business Wear, in partnership with Trinidad's renowned Fashion Designer, Meiling. Flame also offers DuPont Tychem Disposable coveralls, Marine Apparel, Rainsuits. In addition to the apparel outlined above, Flame Industries offers the Island's highest quality digital embroidery service for said garments, and accessories such as bags and hats. We have recently seen an increase in demand for the Embroider of Novelty items, such as pillows, hand towels, cushions, luggage and other similar products.

**NFPA-** All our Fire Resistant Material complies with and even exceeds, in some cases, NFPA 2112, NFPA 70E and ASTM A506. NFPA 2112 outlines the criteria for the construction, evaluation and certification of Fr Garments and NFPA 70E outlines the requirements for safe work practices to protect personnel exposed to risk by reducing exposure to major electrical hazards.

**TECHNOLOGY-** Flame Industries Limited uses the most advanced State of the Art Technology available to clothing Manufacturers, as well as they carry the Highest Quality Digital Embroidery Service on the Island. We continue to keep abreast of recent developments in the field, with the major aim of transferring these benefits to our Valued Customers.

**AFFORDABLE-** Flame Industries Limited aims to keep production costs low as possible, without sacrificing quality and ensuring these benefits are transferred to our Valued Customers in the Form of Quality Garments, at affordable prices.

**GUARANTEE-** Flame Industries Limited guarantees their Product is of the very best quality. Flame uses First Grade Fabric in the Manufacture of its Garments. Material Test Certificates are compulsory for our raw material suppliers for the various components of the garments. DuPont Nomex® is the World Leader in FR Fabric and adheres to all NFPA Standards required for FR Material. Flame guarantees consistency in colour, texture, stitching, sizing and packaging. Flame Industries Limited guarantees a friendly Customer Service Environment and prompt delivery for large orders placed. Our DuPont made garments are also warranted.

**EXPERIENCE-** Flame Industries Limited has over 25 years experience, in the Industrial Garment Business and has a proven track record of being the preferred choice for buyers and users of Industrial Wear. Our Valued Customers continue to attest to the Advantage associated with a Flame Garment.
